Rarotonga

Weddings at the Pacific Resort Rarotonga.

The Cook Islands have a very relaxed policy that allows international citizens to marry legally, only requiring the couple to reside three full days on Rarotonga after applying for the wedding license, provide birth certificates in English, view their passport and provide their 'decree absolute' (divorce documents), should either have been married before.

At Pacific Resort Rarotonga, Weddings are given top priority. Extra effort and attention to detail is provided by our wedding coordinator and resort staff to ensure a memorable and lasting occasion.

Your choice of venue for the ceremony includes: lush tropical gardens, white sandy beach, limestone village church, local homestead or uninhabited off shore island.
